SANCTUARY RESTAURANTS

WHAT ARE SANCTUARY RESTAURANTS*?

Sanctuary restaurants have a zero tolerance policy for sexism, racism, & xenophobia. We believe that there is a place at the table for everyone. Sanctuary Restaurants is a joint project of the Restaurant Opportunities Centers (ROC) United and Presente.org with participation by dozens of restaurants nationwide. Sanctuary Restaurants offer support and resources to workers, restaurants, and consumers to help create the world we want to see – a world free from hate, discrimination, and harassment.

Sanctuary Restaurants is not a legal designation

TABLE FOR EVERYONE: Sanctuary Restaurants believe that there is a place at the table for everyone.

HATE-FREE & HARASSMENT-FREE ZONE: Sanctuary restaurants have a zero tolerance policy for sexism, racism, and xenophobia.
